

Kappaflex 2K XA

Product group	100
Color	Black
Cover design	Smooth
Inner tube resistance	Oil
Media description	Oil
Safety factor	1:4
Bundled pipes/hoses	1
Cover tube resistance	Abrasion, Extra abrasion, Oil, Weather
Cover tube material	Synthetic rubber
Hose label	white
Inner tube material	Synthetic rubber
Certificate	MSHA
Max temperature (°C)	100
Reinforcement layers	2
Reinforcement materials	Steel wire
Min temperature (°C)	-40

A hose for applications with high pressures. The hose is made to be used in arctic environments. Excellent flexibility throughout the whole temperature range. Equivalent to EN 857 2SC.

Part no	OD (mm)	Working pressure (MPa)	Bend radius (mm)	ID (inch)	ID (mm)	Weight (kg)
