

# Biofuel hose MK1, ISO 7840 A1, CE

Product group	140
Color	Black
Cover design	Smooth
Safety factor	1:3
Bundled pipes/hoses	1
Media description	Oil and gasoline
Antistatic wire	No
Cover tube material	CSM
Flat coil	No
Inner tube material	FPM
Max temperature (°C)	100
Reinforcement layers	2
Reinforcement materials	Textile
Min temperature (°C)	-20

To fuel system were high temperature and biodiesel resistance is required. Fire resistant according to ISO7840 and ISO15540/15541. Type approved and M.E.D certified.
