

DUST SUCTION HOSE SD

Product group	140
Cover design	Corrugated
Color	Black
Bundled pipes/hoses	1
Media description	Ventilation
Cover tube material	PVC
Flat coil	No
Inner tube material	PVC
Antistatic wire	No
Max temperature (°C)	80
Reinforcement layers	1
Reinforcement materials	Steel spiral
Min temperature (°C)	-1

A very flexible and low-weight dust suction hose with good resistance to tearing, suitable for the industry. End and seam fittings are available in dimensions 28, 32, 44 and 51 mm.

Part no	Working pressure (MPa)	ID (mm)	Vacuum pr. Max%	Length meter per coil	OD (mm)	Bend radius (mm)	Weight (kg)
