

CEJN eSafe 320 Safety fitting - Female, female thread

Product info	Series 320 eSafe vented safety coupl
Product group	524
Material	Zinc-plated steel/brass
One-handed	No
Safety nipple	No
Valve	Yes
Manufacturer	CEJN
Max working pressure (Bar)	16
Type (Male/Female)	Female
Security lock	No
Burst pressure (bar)	140
Bulkhead	No
Connection force (N)	86
Flow (l/min)	2 250
Max temperature (°C)	100
Min temperature (°C)	-20

Part no	CEJN description	Thread type	Thread	Weight (kg)
