

# SPIR STAR TYPE 2

|                         |            |
|-------------------------|------------|
| Color                   | Green      |
| Safety factor           | 1:2.5      |
| Cover tube material     | PA         |
| Inner tube material     | PA         |
| Max temperature (°C)    | 60         |
| Reinforcement layers    | 2          |
| Reinforcement materials | Steel wire |
| Min temperature (°C)    | -30        |

| Part no  | ID (inch) | ID (mm) | Weight (kg/m) | Working pressure (Bar) | Bend radius (mm) | Weight (kg) |
|----------|-----------|---------|---------------|------------------------|------------------|-------------|
| 12011002 | 1/8"      | 4       | 0.11          | 1,200                  | 75               | 0.11        |
| 12011003 | 3/16"     | 5       | 0.13          | 1,040                  | 95               | 0.13        |
| 12011004 | 1/4"      | 6.3     | 0.18          | 1,000                  | 110              | 0.18        |
| 12011005 | 5/16"     | 8.1     | 0.2           | 900                    | 130              | 0.2         |
| 12011006 | 3/8"      | 10.1    | 0.28          | 690                    | 160              | 0.28        |
| 12011008 | 1/2"      | 12.9    | 0.44          | 690                    | 200              | 0.44        |
| 12011012 | 3/4"      | 19      | 0.75          | 520                    | 240              | 0.75        |
