

GAMMAFLEX 4

Product group	120
Color	Yellow
Cover design	Wrapped
Safety factor	1:4
Bundled pipes/hoses	1
Cover tube resistance	Flame resistant, Oil, Weather
Inner tube resistance	Oil
Certificate	MSHA
Max temperature (°C)	100
Reinforcement layers	4
Reinforcement materials	Steel wire
Min temperature (°C)	-40

The hose is suitable for high pressures combined with high flexing. The hose is equivalent to EN856 4SP and MSHA-approved (Flame resistant).
