

Concrete pump hose 85bar Pulsor Light

Product info	Textile reinforced
Product group	140
Color	Black
Cover design	Wrapped
Media description	Materials
Safety factor	1:2
Antistatic wire	No
Cover tube material	NR
Flat coil	No
Inner tube material	NR
Max temperature (°C)	80
Reinforcement materials	Steel wire
Min temperature (°C)	-30

High pressure concrete pump hose for boom transfer, placement. Pneumatic discharge of cement and minerals. Pumping of slurry and drilling mud (not oil-laden). From 15 to 25% less weight than steel reinforced hoses. Grouting of mortar, cement, or concrete. Deliverance fully assembled with fluid connectors. The pre-assembling is done in-house in Sweden.
