

Flange gasket 1,5mm PTFE

Product info
Product group

Flange gasket 1,5mm PTFE
505

The most common packing in the process industry. The gaskets are made of blue glass fiber reinforced PTFE. Superior chemical resistance, withstands acids, solvents and alkalis. The gaskets neither age nor creep. The material meets the food standard FDA. Manufactured according to 1514-1.

Part no	Material	Color	OD (mm)	Thickness (mm)	DN	ID (mm)	Max temperature (°C)	Weight (kg)
56128008	PTFE	Blue	51	1.5	15	22	260	0.01
56128012	PTFE	Blue	61	1.5	20	27	260	0.01
56128016	PTFE	Blue	71	1.5	25	34	260	0.01
56128020	PTFE	Blue	82	1.5	32	43	260	0.01
